### Notes

**Course list validation:** Deans and Chairs will be asked to confirm the course lists and course instructors. IPE uses the dean-approved list to administer the surveys and place the links to course-specific surveys in student MyTRU accounts. **Any changes to instructor assignments after the course list approval deadline will need to be communicated directly to IPE by the dean's office.**

**Preliminary email to Instructors:** Faculty members will receive an email that lists their Winter 2026 courses that will be included in course evaluations, and they will be asked to contact IPE and copy their dean's office if there are any inaccuracies. **IPE will not be able to accommodate any changes to instructor assignments or inclusion/exclusion of courses after the validation period deadline.**

**Course evaluation period:** Faculty members will be provided, via TRU email, with a password to unlock the survey prior to the evaluation period. Regular semester-based courses survey links will be available via student MyTRU accounts. **For courses that do not follow the regular schedule, dean's offices will contact IPE to make alternate arrangements.**

**Reporting:** Evaluation results will not be available until final grades are submitted for the course.
